

EQUICULTURE

Horse **O**wners – **R**esponsible, **S**ustainable, **E**thical

Jane Myers MSc (Equine Science), author, speaker, educator and rider – will present an evening seminar for horse owners on the subject of managing horses on horse properties. This seminar will be aimed at people who agist their horse and agistment property owners alike. It will also be of interest to people who are planning to buy land for horse-keeping in the future.

You will learn about:

The grazing behaviour of horses,
The grazing management of horses,
Innovative designs for horse properties,
Practical solutions for the problems faced by horse owners.
