

Riverina Highlands Landcare Network

RENEWABLE ENERGY 2012

Farm Scale Renewable Energy Workshop

The Riverina Highlands Landcare Network is hosting a field day on harnessing wind, sun and water energy for on farm uses. These include:

- Water Driven Glockemann Pumps
- Solar Pumping, Lights, Electric Fences
- Mini-Micro-Hydro
- Wind Generator/Turbines

During the workshop options for on farm energy efficiency, the Agribusiness Energy Efficiency Pilot (OEH) and larger scale renewable energy will be discussed.

When: Wednesday 5th December 2012

Time: 9.00am—12.00pm

Where: Adelong Services Club

RSVP: Phone (02) 6941 2253 or email: cherie.white@cma.nsw.gov.au
