

# REVEGETATION ON FARMS FIELD DAY

**Greening Australia, Lachlan CMA and Upper Lachlan Landcare invite you for a trip to the farm to learn more about revegetation for a variety of purposes. These include wind breaks for stock shelter, erosion control, improving biodiversity and the innovative 'Whole of Paddock Rehabilitation' project. There will also be lots of practical information and opportunities for funding.**

**TUES 8th MAY 2012**

**'Red Hill' Crookwell and 'Bolong' Laggan  
NSW**

**10.30 am—3.00 pm**

Meet at 'Red Hill' - From Crookwell, take the Binda Rd out of town (towards Binda) Follow for 4kms and turn left into the Boorowa Rd (Narrawa Rd on some maps but sign-posted to Boorowa). Follow for 3kms and turn right into Boobalaga Rd. Follow for 7kms and turn left into Red Hill Rd. Follow Greening Australia signs to shearing shed.

**The morning will be spent looking around 'Red Hill' (Crookwell) followed by a visit to 'Bolong' (Golspie Rd, Laggan) in the afternoon.**

***Lunch & Refreshments Provided***

What to bring? Hat, sturdy shoes, water bottle, 4 wheel Drive (if possible) and lots of questions!

RSVP essential: By Friday 4th May 2012 [Please indicate if you can bring a 4WD]
