

Wildlife habitat in Burra and Royalla Threats and solutions

Burra Community Hall
Saturday 22nd March 2014
9:00am until 3:30pm

Morning tea and lunch provided. No charge for the workshop but bookings are essential by 19th March 2014

For further information or bookings contact Greg Stone on 0422279946 or woodlandsenviro@gmail.com

Join other members of the community in an **interactive workshop** to:

Share information about local flora and fauna

Discuss issues facing remnant wildlife habitat and consider possible solutions

Develop plans for increasing, protecting and managing wildlife habitat in Burra and Royalla

Learn more about the 'Land for Wildlife' program

This workshop is a part of *Increasing Habitat Value via Land for Wildlife Program* in Molonglo Catchment and West Palerang LGA administered by FuturePLANS and Molonglo Catchment Group with funding from the Great Eastern Ranges Initiative.
