NSW DPI Tumut and RHLN presents:

## Healthy Water on Healthy Farms Farm Dam Workshop

Location: 'Kimbal' 676 Gocup rd Tumut

Tuesday 23 October 2012

9.00am – 12.00pm

How to go from this

To this

This workshop provides on-ground, cost-effective strategies you can use to obtain maximum water quality & biodiversity from your dams, creeks & wetlands in every season. By improving your water quality, you improve your stock health, spend less on drenches, increase your productivity, provide essential habitat for aquatic life, & contribute to a healthy landscape.

RSVP by Monday 22/10/2012:

Nathan Ferguson, NSW DPI Tumut, 6941 1400
