Communities in Landscapes and Stipa Native Grasses Association invite you to attend:

REGENERATING GRASSY BOX WOODLAND WORKSHOP 4 'PLAN A PROFIT'

The continuation of workshops on Grazing Management for Grassland Regeneration!
This workshop will be based around simple steps to plan for and achieve a profit in your farming enterprises.

Topics include:

- Examining your enterprises and determining your focus areas
- Identifying when and how to take corrective action, to get back on the path to profit
- Diagnosing environmental problems and how to effectively address them

Presented by Graeme Hand

Ladysmith Hall, Tumbarumba Road Ladysmith (TBC)

Wednesday 29th February 2012, 10.00 am - 2.00 pm
