

Are you single and ready to mingle?

You've heard of speed dating, well this is speed planting. Plant a new tree with a new person every eight minutes and then join everyone over a free tasty lunch.

Even if you don't meet your match, at least you will feel fantastic having done something positive for your local environment.

Register your interest today:
RSVP to Joslyn van der Moolen
ACT Landcare Regional Facilitator

actlandcare@act.gov.au

Ph: 02 6205 2913.

Further Details on <http://actlandcare.org.au>

Where: 5 kilometres south of **Williamsdale** on the right side of the Monaro Highway. Greening Australia signs will be out at the gate.

Transport: Drive yourself or book a seat on the coach leaving City West bus terminal at Marcus Clarke St (8.30am) or at the Calwell Club (9 am).

What to bring: Sturdy footwear, sun screen, hat, water, gardening gloves (if you have some), warm clothes and wet weather gear. Refreshments, lunch, loos and all other equipment will be provided.

Registration is Essential

This project is supported by the ACT, NSW and the Australian governments.
